Guidance to Parents & Guardians

- HOMEWORK – will be recorded in your child's Homework Diary. All homework will be set on Mondays to be submitted on Thursdays. This will include Reading, Spelling & Maths. Language work in the form of Grammar, Story or French may also be set however the golden rule is as follows:
  P6 and P7 should manage 45mins per day, Monday to Thursday.
  P5 should manage 30mins per day, Monday to Thursday.
  P1 and P2 should manage 20mins per day, Monday to Thursday.

  If you experience a problem of any kind with homework or reading please do not hesitate to stop the work and discuss the problem with the teacher the very next day. We will do our best to sort it out.

- UNIFORM – A uniform is a commitment to the ethos of the school. It helps protects the children from in-house bullying and promotes the school values to the outsider. The large supermarkets are now selling school shirts, skirts, trousers and shoes at extremely low prices. We also provide an ordering service for our polo shirts, sweatshirts and hoodies with the school logo. Remember please that our colours are bottle green and maroon with black or grey trousers or skirts. P.E. kit is a T shirt and shorts with trainers or gym rubbers.
  Leggings worn with a long sweatshirt or micro mini are NOT acceptable. Joggers are sports wear and as such are not acceptable as school trousers.

- SCHOOL RULES – At the beginning of the year the children from the whole school negotiate effective school rules which will offer the best and safest learning environment. They then go on to repeat the process in their classroom along with the teacher. Their involvement in this process should give them ownership of their environment and behaviour and help them towards their journey to citizenship. You can help support us on this journey by reading your child's Homework Diary and responding in writing to the teacher comments. A copy of these rules will be sent home for you to discuss as a family.
