

Invitation to our FREE online session
For members of parent groups
To be held on Wednesday 6 May

Places are free, registration is essential
at <https://bit.ly/ConnectOnlineChat6May>
Choose from afternoon or evening session.

We'd like to invite members of parent groups to an informal online chat on Wednesday 6 May, either at 2-3pm or 8-9pm.

We're keen to know how Connect can help your parent group in this current situation. Please tell us about what your parent group needs and about your experiences. We'd also like to hear about your parent group's activities, ideas and plans and to share these with other groups. Let's have a chat about how we can help each other.

For example, perhaps we can discuss

- how your Parent Council is helping to support parents and the school community
- how you are planning for the future when schools reopen
- what help or advice parents might need for their child who is either starting a new school/nursery
- what help or advice parents need for their youngster who is leaving secondary school.

Connect is a trading name of Scottish Parent Teacher Council
Registered Company SC151086 and Scottish Charity SC019168
